City of Eustis Updates ChargePoint Charging Station Fees

Eustis, Fla – July 24, 2024 - The City of Eustis is announcing an update to the fee structure for its ChargePoint electric vehicle (EV) charging stations located in the historic downtown area. Effective August 1st, 2024, the fee for using the ChargePoint charging stations after car is fully charged will change.

Previously, the cost was announced to be **\$2.50** per hour for charging after the grace period ends and when the vehicle is fully charged. Under the new fee structure, after this grace period, a fee of **\$10.00** per hour will be applied.

This update aims to encourage efficient use of the charging stations and ensure availability for all users.

ChargePoint Charging Stations Locations:

- Ferran Park (250 Ferran Park Drive, behind Bay Street)
- 128 N. Eustis Street
- 15 S. Eustis Street (in front of parking garage/Water Customer Service)

We appreciate your cooperation and understanding as we work to improve the accessibility and efficiency of our EV charging infrastructure.

This change is part of our continued effort to support sustainable transportation and provide reliable charging options for electric vehicle owners in Eustis.

For more information about the partnership or details on the new EV charging stations, please contact Elis Forman.
