Interim City Commissioner

Christine Cruz has been appointed to the Eustis City Commission as Interim Commissioner for seat number 4. A marketing, advertising, and creative executive, Cruz brings 30 years of business management experience, and 17 plus years of service on Eustis community boards and committees to the Commission. Of particular note, Cruz is the Founder of CleanUp Eustis, and previously served on the Downtown and East Town Community Redevelopment Agency (CRA) Review Committee.

The vacancy filled by Cruz was created when the former City Commissioner resigned to run for the Florida House of Representatives. City Ordinance required the Commission to fill the open seat. Applications to complete the unexpired term were accepted over a two-week period, August 19 -August 30, 2024.

"I look forward to the opportunity to serve the citizens of Eustis by using the input I've gathered over past 20 years in the community to help shape good policies, and make decisions that improve our quality of life," says Cruz.
